

I JUST WANTED YOU TO KNOW

A D
I just wanted you to know
E A
I'm not sure if you'd even care
F#m Bm
Just one thing I wanna say
E A
in case that you were unaware
 D
Though we've drifted far apart
E A
And now it's time for you to go
F#m Bm
There's just one more little thing
 A
I just wanted you to know

BRIDGE

There's just one more little thing / Before you walk out that door
One last thing that you should hear
/ Since I won't see you anymore

It won't take very long / won't make a difference anyway
I know it wouldn't change your mind / There' one last thing I wanna say

D F7
Maybe I never said it before
A
Or maybe I didn't made it very clear
B7
Maybe you just chose to not understand
E F7 E
Maybe you didn't want to hear

I just wanted you to know
I'm not sure if you'd even care
But there's something I needed to say
Just in case you were unaware

Though we've drifted far apart
And now it's time for you to go
I just wanted to say that I still love you
I just wanted you to know
