

# YOU MAKE ME CRAZY

I see you every day comin my way  
You look into my eyes but I don't know what to say  
I'm thinkin that your thinkin I'm the one for you  
Or is it just the delusion of a mixed up fool  
YOU MAKE ME CRAZY 4X

I'm tossin and I'm turnin cant get no sleep  
Cant catch my breath, cant work I cant eat  
Cant catch my breath cant keep track of time  
Only one thing is clear, I'm losin my mind  
YOU MAKE ME CRAZY

Don't you know / don't you know / what your doing to me  
There gonna lock me up / and throw away the key

SOLO

Are you playing with my head are you playin a game  
Or are you just like me / going insane  
Just say anything and set me free  
please put me out of my / MISERY  
YOU MAKE ME CRAZY

Don't you know / don't you know / what your doing to me  
There gonna lock me up / and throw away the key
